Extra Info

Dorine:

- Wireless mic preferred. If not, a long lead.
- 2 floor monitors preferred.

Peter:

- Long mic stand because of large pedalboard.
- Amp has built-in Sam Systems Integral mic.
- Has a Sennheiser SR IEM G4-B wireless transmitter for in-ear (freq. 626-668 Mhz).

John:

- Has his own mixer and (in-ear) monitor. Needs XLR feed for vocals.

General requirements:

- Dressing room for changing and storage of personal properties. This room should not be open to the public.
- Storage room for cases, bags, etc.
- Food and drinks are greatly appreciated.
- Water on stage.
- The named microphones are indicative, equivalents may be used.

Monitor Groups

Group	Soundmix
Group 1	All vocals (Dorine's vocals loudest), keys.
Group 2	All vocals (Erik's vocals loudest), bass drum, SPD, bass guitar, guitar, keys. In-ear preferred.
Group 3	XLR feed with all vocals (John's vocals loudest). Has own mixer.
Group 4	All vocals, bass drum, SPD, keys. In-ear preferred.
Group 5	All vocals (Peter's vocals loudest), guitar, keys. In-ear preferred, has own Sennheiser wireless transmitter (626-668 Mhz).
